### Max Brenner

The great thing about the Max Brenner Chocolate Bar & Restaurant in the Back Bay is that you can splurge on some imaginative choc-related retail items in addition to its sweet in-store feast of pastries, milkshakes and fondue confections (not to mention the outrageous chocolate pizza). In addition to the beautifully designed Hug Mug, Alice Cup and Chocolate Fondue Tower, there's the essential and very collectible First Aid Chocolate Gift Box. Yum. 745 Boylston St., 617.274.1741
