For everyone the fall season means pumpkin this and pumpkin that, but what other Philly fall treats are out there? I went to 18 places to find out. This is in no particular order because every treat is worth the same amount of caloric splurge. Now put away those crop tops and break out the sweaters to hide the food baby you are going to be nursing after eating these.

Apple Pie Milkshake - Max Brenner

Max Brenner is the father behind all things chocolate and they take it to a whole new level with this milkshake. They combine puréed apples, white and chocolate ganache to create a drinkable apple pie.
