Chocolate Cocktails to Indulge Your Sweet Tooth All Month

February 2, 2017 | [Food & Drink](#)

Here's a deliciously fun fact: February is Chocolate Lovers' Month. While we thought every month was Chocolate Lovers' Month, we are equally happy to celebrate the sweet treat in all forms throughout February. Start by sipping the sugary sweet thanks to these chocolate cocktails.

Opt for a classic chocolate martini with this straight-forward and delicious variation. Creamy milk and white chocolates are mixed with Absolut vanilla vodka, and crème de cacao and garnished with, naturally, a chocolate-dipped strawberry. *745 Baylston St., 617-274-1741*
