Need an excuse to gobble down a whole box of chocolates by yourself? No you don't have to wait until Valentine's day for this guilty pleasure- celebrate National Chocolate Day by indulging in your favorites. White, dark, milk, with caramel, with nuts, even paired with bacon- chocolate comes in all shapes and sizes. So much chocolate, so little time. But we're here to help with that sweet fix. Take a look at our list of the coolest and most unique chocolate treats we could find in NYC. Your sweet tooth will thank us.

1. Max Brenner

The geniuses behind Max Brenner bring you the most delicious and creative in chocolate delights. From dripping fondues, to decadently covered waffles, to chocolate pizzas- this place is where chocoholics go to die. But what caught our eye on their menu is their very unique "chocolate burger." This decadent burger consists of a brioche bun, a pure milk chocolate ganache "patty" covered in melted marshmallow and is accompanied with melted strawberry sauce and melted white chocolate sauce to serve as the mayo and ketchup. It's a chocolate lover's dream burger.
